

Vision Statement

“All students can learn and succeed in a caring, safe environment; through an excellence in teaching and collaborative relationships.”

Core Values

- **Leadership**- no one without everyone
- **Collaboration**- all accountable in serving all students
- **Knowledge**- all can learn and all can succeed
- **Determination**- every student every day
- **Expectations**- high standards lead to academic, behavioral and emotional growth.

Welcome to Oliver Heckman Elementary!

It is with great pleasure that I welcome you to our Oliver Heckman family. My name is Troy Bodolus and I am honored to be the new principal at Oliver Heckman. I feel very lucky to be surrounded by a great staff and an enthusiastic PTO.

I am beginning my seventh year in administration and I have been the Assistant Principal at Maple Point Middle School for the last two years. Prior to Neshaminy I was an Assistant Principal and Supervisor of Curriculum and Instruction with the Allentown School District. I believe in creating a solid educational foundation in all children. I strive to make your child's experience positive and prepare them for tomorrow. I look forward to working with each of you to create a positive environment where students are provided innovative learning experiences and are inspired to get involved.

My wife and I have two children Brianna and Zack. When I am not at school I am usually found going to sporting events for my children, reading, completing home projects and participating in community events.

The Oliver Heckman faculty is passionate and supportive to ensure your child is successful at school and is welcomed as a member of the Heckman community.

Please join me as a fellow parent in making a difference in your child's life. Together we will not only make, but we will show that our students matter.

My door is always open.

Sincerely,

Troy Bodolus
