## BACK-TO-SCHOOL 2016

September, 2016

Dear Parents/Guardians:

Our annual “**Back-To-School Night**” program will be held on Thursday, September 8th. Please refer to the schedule on the reverse side to plan your evening.

Back to School Night is scheduled to foster our home-school partnership in your child’s education. Teachers will speak about the organization of their programs and expectations for students. They will also share class schedules, materials, and goals. The individual progress of your child will not be discussed; however, this will be an opportunity to ask questions, establish best lines of communication, and to meet your child’s teachers.

We remind parents/guardians that this is not a time for the teacher to meet with each parent in private conference. **We also ask that you make arrangements for child care as students and younger siblings are not permitted to attend this event.**

**NOTE: Parents/Guardians will be “signing up” for November Parent/Teacher conferences on this evening. Bring your “November date book/organizer” with you so that you can schedule your conference!**

We hope that you can attend this informational program. We look forward to seeing you.

Sincerely,

Dr. David Glennon  
Principal
