

Walter S. Miller Elementary School
Neshaminy School District
 10 Cobalt Ridge Drive South
 Levittown, PA 19057 215-809-6360

IMPORTANT INFORMATION

One Way ALL Of The Time!!!

Please observe the following driving, drop off and pick-up procedures at our school:

- Traffic will flow in a “One Way” direction. Vehicles will enter from Oxford Valley Road and exit on to Cobalt Ridge Drive South.
- Buses ONLY will use the Bus Port drop off from 8:50 – 9:10 AM. Other vehicles are not permitted at the bus port during this time.
- Vehicles dropping off students between 8:50 – 9:10 AM will pull into the “Student Drop Off Area” located at the sidewalk near the exterior Cafeteria doors. (See diagram below). Students are to exit from their cars from the right hand side. All vehicles should yield to buses and drive in a safe and courteous manner.
- Parents who want to walk their children to the morning line up area, or who have other appointments at the school, should park their car in the lot and accompany their child safely through the lot.
- Students who are driven to school, and arrive after 9:10 AM are tardy. These students may not enter through the “Student Drop Off” area. Parents must park their vehicle in the parking lot and accompany their child into the school office to sign the child in.
- Buses only will use the bus port at dismissal from 3:05 -3:50 PM.
- Parents living in Cobalt Ridge or Quincy Hollow may pull their vehicles onto the playground at 3:20 for the 3:35 dismissal. Students will leave from the B and C wing doors. Cars may then exit the playground by turning RIGHT onto Cobalt Ridge Dr. S.
