(SUMMER Edition - 2015)

**Services Designed to Assist
Children, Youth, Families & Other Individuals
Who Are Struggling with Various Issues**

Housing Link

Bucks County Housing Link

1-800-810-4434

Centralized Intake & Coordinated Assessment for Bucks County residents experiencing a housing/shelter crisis. See additional information on the following page.

This Resource Directory is also available online at www3.bucksiu.org/homeless

Are you homeless or experiencing a housing crisis? Call the Bucks County Housing Link at 1-800-810-4434.

How does the Bucks County Housing Link work?

1. Residents experiencing a housing crisis will call the Bucks County Housing Link at 1-800-810-4434.
2. The Housing Link Call Center staff will screen all callers with a brief interview to determine the household's basic eligibility for housing assistance.
3. The Housing Link Coordinated Assessment Center staff will then contact the caller to schedule an in-person appointment at the nearest regional coordinated assessment center.
4. At this appointment, the coordinated assessment center will determine the level of housing assistance needed to resolve the crisis and the available assistance options.
5. Persons in crisis will then be referred to the most appropriate housing assistance resource to resolve their crisis.

Which providers are participating in the Bucks County Housing Link?

The providers are: Family Service Association, Bucks County Housing Group, Bucks County Opportunity Council, and Keystone Opportunity Center. All providers have agreed to accept clients that are referred by the Housing Link, and to "close the side door" for all other requests for assistance. Other partnering organizations include the County of Bucks Housing & Community Development, and St. Mary Medical Center.

What should residents expect when they call the Bucks County Housing Link?

Callers will be interviewed with a 20-question screening tool that will take approximately 15 minutes to complete over the phone. Callers will then be called back by one of the coordinated assessment center agencies to schedule an in-person appointment at the location nearest to them. At this appointment, which will last approximately 1 hour, the caller will be asked to bring documentation for program eligibility verification, and will complete a program eligibility assessment as well as a nationally-recognized housing assessment to determine the most appropriate type of assistance for them.

What are the hours of operation for the Bucks County Housing Link?

The Housing Link Centralized Intake Call Center is staffed from 8:30am – 7:30pm Monday, Wednesday, Thursday & Friday & until 4:30pm on Tuesday. Voicemail is available during non-business hours and messages will be returned.

“How to Get a Credit Report”

Clients may go directly to any of the 3 credit agencies to purchase a credit report. The FACT Act of 2003 permits consumers to obtain free copies of their credit reports (credit scores are not included but may be purchased) from each of the 3 main credit bureaus: Experian, Equifax & TransUnion, every 12 months. In order to do so, they should go to the website developed by the FTC (Federal Trade Commission) in conjunction with the 3 bureaus. That website is www.annualcreditreport.com. If clients do not have access to the Internet at home, and do not wish to use the library for privacy reasons or because they do not hold a library card, then the BC Housing Group can supply them with a paper form that can be mailed to Annual Credit Report. Homeless clients, or clients who have not lived at the same address for the last 2 years, will almost always need to order the report through the mail. (The BC Housing Group phone is (215) 598-3566.)
