

DEBATE CLUB

Do you like to argue? Do you like to be right? Join the Debate Club and learn how to frame an argument about issues in our society to win debates. This is a team endeavor in an academic club.

Members will research, write speeches, and use critical thinking skills to debate these issues. In Spring, Maple Point hosts the Neshaminy Middle School's District Debate Tournament where we go up against Sandburg and Poquessing debate clubs. (Participation in this tournament is optional.)

This fun and thought-provoking club is open to all **6-8** grade students. Meetings are weekly, every Tuesday, beginning **October 11** through April in room **B207** from **3:00 – 4:00 with Mrs. Degnan.**
