

Partners

The Neshaminy School District and Maple Point Middle School believes that we must work to create and maintain safe schools which lead to a positive and effective place of learning. We believe that this work is best done with the help of school safety partners. That is why we are very pleased to announce that we are partnering with the Middletown Police Department with daily visits to the schools by our local law enforcement. Middletown officers will routinely visit the schools throughout the day and be a visual presence for our staff and students. If you have more questions about this - please do not hesitate to contact the school. Thank you.
