

4th GRADE END OF THE YEAR DUES

Hello 4th Grade Families,

We are excited to start planning for the end of the year events and will be collecting 4th grade dues of \$40 to cover the costs. The dues will help pay for your child to have a party, year book and a gift.

We will also be hosting a few events throughout the school year to help fund raise; however, we will be unable to provide everything for the children without the dues.

If you are experiencing financial hardship and are unable to contribute the full amount of the 4th grade dues or would like to contribute a different amount, please indicate that on the form below with the amount enclosed by February 21, 2025.

If you have any questions, please reach out to Madeline Hendricks at madeline.hendricks18@gmail.com or Jeanne Neal at jciccone85@gmail.com.
