

We Build Futures Award

February, 2018

Janet Aguilar

Nurse

Walter Miller Elementary School

In your nomination, your coordination of the Miller school community support for families during the holiday times was emphasized. It was stated that your work and leadership made a big difference within the community through this multi-faceted effort that helped countless families in need.

Your leadership in service projects has helped advance our belief that people have a responsibility to themselves and others. More importantly, you model for the Miller school community the true essence of the words “productive citizen” found in our mission statement.

You are an asset to Walter Miller Elementary School and the district as a whole.
