

We Build Futures Award

June, 2018

Dr. David Glennon

*Principal
Herbert Hoover Elementary School*

In your nomination, the following were highlighted:

- Your leadership in promoting schoolwide technology integration across content areas;
- Your ability to advocate for giving students choice and voice through technology innovation;
- Your presence on Twitter, sharing educational insights and glimpses of the good work that is happening at Hoover Elementary;
- Your choice to engage the Hoover educational community in the new Instructional Rounds process this year; and
- Your cultivation of a building that parents feel confident sending their children to each day and that and where children want to come to learn.

All of the above are examples of ways that you show you care. Your work supports our district belief that our children are our future, that a quality education is a right and that people learn in different ways and at different rates.

You are an asset to Hoover Elementary School and the district a whole.
