

We Build Futures Award

January, 2019

Patricia Murray

*Main Office Secretary
Neshaminy High School*

In your nomination, the following were noted:

- You perform your job at the highest level -- communicating well with our students and families and going to any length to help;
- You remain calm in difficult situations;
- You understand the system from multiple vantage points due to the fact that you have children who have been through our schools;
- You show compassion and kindness to our stakeholders; and
- You are an ideal person to have as our high school's first contact with the public.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that all people have worth; that laughter, joy and hope are essential for a quality of life; and excellence in education requires support, sacrifice, and involvement from the total community.
