

We Build Futures Award

June, 2018

Colleen Oetinger

*ISS Aide
Neshaminy High School*

In your nomination, the following were highlighted:

- You have a “will do” attitude that is present in all that you do;
- You are 100% student centered;
- You solve student/people issues in a way that helps address the social and emotional concerns that can get in the way of student learning;
- You voluntarily do bus duty, hallway duty and other tasks without being asked – you are a helpful presence no matter where you find yourself; and
- You are never idle.

All of the above are examples of ways that you show you care. Your work supports our district belief that our children are our future and that excellence in education requires support, sacrifice, and involvement from the total community.

You are an asset to Neshaminy High School and the district a whole.
