

We Build Futures Award

April, 2018

Seleke Sesay

*Bus Driver
Transportation Department*

In your nomination, the following were highlighted:

- * You are always smiling, happy and friendly towards the children and their parents;
- * When the students pass you to exit the bus you speak to each one and give them a high five;
- * You greet students warmly in the morning and then tell them that you will “see them tomorrow” in the afternoon;
- * You care so much about the children and want to make them be excited and happy about riding your bus;
- * You are a driver that provides parents peace of mind – that their children are being looked after with love;
- * The student’s remark how you make everyone feel special about riding your bus;
- * Former students remember you years later as the kind driver who took them back and forth to school while making each child feel special; and
- * You are a leader in our district through these positive personal characteristics and a strong work ethic that are always on display.

Your Neshaminy school bus supports our district belief that children have worth and that all children have a right to safe and happy travels to and from school each day.
