

## We Build Futures Award

May, 2018

### Jesse Tunis

*Systems Support Specialist, Tawanka Elementary School*

In your nomination, the following were highlighted:

- Your quick response to technology repair/problem “tickets” help to maintain the students’ access to these important instructional support devices;
- Your patient and friendly manner when addressing the technology issues with staff makes for a pleasant experience;
- Your ability to respond to most of the technology work orders the very same day that they were put into the system shows a true understanding of the important role that technology plays in the today’s classroom; and
- Your overall work ethic is appreciated by all!

All of the above are examples of ways that you show you care. Your work supports our district belief that our children are our future and that excellence in education requires support, sacrifice, and involvement from the total community.

You are an asset to the Tawanka Elementary School and the district Technology Department as a whole.
