

## We Build Futures Award

April, 2019

**Jeff Rodos**

*Learning Support  
Pearl S. Buck Elementary School*

In your nomination, the following were highlighted:

- You continuously seek and apply new ideas for helping students achieve their goals;
- You care and support your students by providing various instructional tools;
- You provide strong support to the families of your students;
- You express patience beyond reason;
- You are the internal “tech team,” Google-certified leader, and you apply this knowledge to classroom and building needs;
- You support the entire staff on a moment’s notice with technology and intervention needs; and
- You are an Elementary Student Assistance Program team member and the “bus-sign meister” for our important, afternoon bus duty.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that family is the cornerstone of society; that people learn in different ways and at different rates; and that excellence in education requires support, sacrifice, and involvement from the total community.

You are an asset to Buck Elementary and Neshaminy School District as a whole.
