

We Build Futures Award

December, 2017

Tim Lock

Bus Driver

Transportation Department

- A special thank you from a parent for helping her child deal with anxiety and being scared on the bus;
- Greeting children with special handshakes and high fives; and
- Taking the time to help comfort children and make them feel safe to and from school on the bus.

Your Neshaminy school bus shows that children have worth and all children have a right to safe and happy travels to and from school each day.
