It was my pleasure to recognize you this morning with a Neshaminy – We Build Futures Award. In your nomination, the following were highlighted:

- You have consistently performed well in your role here at Neshaminy as an instructional assistant;
- You are conscientious and attentive to your students' needs;
- You react like a seasoned veteran when students are in need of support and your main concern is safety for the students; and
- You handle each situation with a calm demeanor and tremendous professionalism.

You have helped advance our belief that children are the future and that excellence in education requires support, sacrifice, and involvement from the total community.
