

We Build Futures Award

April, 2019

Bill Lever

*Sixth grade Social Studies teacher
Maple Point Middle School*

In your nomination, the following were highlighted:

- You incorporate into your teaching innovative and creativity ways to engage students that bring life to an exciting learning environment;
- You have a clear passion for the curriculum and a concern for students that, together, create a safe and fun atmosphere where students are successful;
- You serve as Maple Point's technology assistant for teachers;
- You use technology effectively in the classroom, allowing students to learn in a variety of ways;
- You are part of the Technology Professional Learning Community and have been instrumental in moving the building forward with the use of CANVAS; and
- You collaborate with others in your department and grade level by assisting them in moving forward with the learning management system or applications that benefit student learning in the classroom.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that people learn in different ways and at different rates; that laughter, joy, and hope are essential for a quality life; and excellence in education requires support, sacrifice, and involvement from the total community.

You are an asset to Maple Point Middle School and Neshaminy School District as a whole.
