Jim Breslin

*Coordinator of Student Affairs
Poquessing Middle School*

In your nomination, the following were highlighted:

- You make it a point to know the students by name and know their interests in order to foster positive relationships;
- You make yourself available to students, staff and parents;
- You further these relationships with your visibility at campus and social events;
- You organized the Poquessing Pink Out with the high school;
- You handle student discipline with dignity and respect by helping young students learn from the effects of their mistakes; and
- You care about the safety and well-being of our students and faculty.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that family is the cornerstone of society; that achievement is realized through challenge; and that excellence in education requires support, sacrifice, and involvement from the total community.

You are an asset to Neshaminy School District as a whole.
