

We Build Futures Award

September, 2019

Bill Snow

*Mechanic
Neshaminy Facilities Department*

In your nomination, the following were noted:

- You have served the District for 29 years as a mechanic in the Facilities Department;
- You have displayed your vast experience and versatile skills on many projects -- from construction projects to the installation of underground drain lines;
- You are very talented in all facets of construction;
- Your work ethic and attention to detail are the qualities that make you an exemplary employee; and
- Your positive attitude creates an atmosphere that is conducive to success.
