

## **We Build Futures Award**

February, 2019

### **Suzanne DiCesare**

*Secretary to the Principal*

*Neshaminy High School*

In your nomination, the following were highlighted:

- You are a model employee who truly understands that our work with students is the most important thing we do;
- You are responsive to the needs of everyone including students, staff, and families;
- You play a leadership role as the principal's secretary; and
- You go above and beyond and are willing to do what it takes to make Neshaminy High School better.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that children are the future and that excellence in education requires support, sacrifice, and involvement from the total community.
