

We Build Futures Award

February, 2019

Diane Ratka

*Recess Aide
Tawanka Elementary School*

In your nomination, the following were highlighted:

- You have proven yourself to be the “go to” person at Tawanka whenever something needs to be done;
- You take initiative -- such as when you worked to help eliminate the playground bees;
- You regularly care about the safety and comfort of students;
- You help direct traffic each morning with our parent drop-off and help park cars at evening events at Tawanka and the High School; and
- You exhibit, in so many ways, the positive impact an employee has when he or she looks to go above and beyond the normal expectations of the work day.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that laughter, joy, and hope are essential for a quality life; all people have the right to a safe and healthy learning environment; and that excellence in education requires support, sacrifice, and involvement from the total community.

You are an asset to Neshaminy School District as a whole.
