

## We Build Futures Award

January, 2019

### Cheryl Kornicki

*Special Education Department  
Neshaminy High School*

In your nomination, the following were noted:

- You are passionate and dedicated to your students in the learning support program;
- You go out of your way to advocate for students and always have their best interest at heart;
- You help students prepare for their future, regularly exposing them to real life scenarios and every day challenges so they can be successful as independent adults after high school; and
- You are an individual who can be relied upon to help a fellow staff member no matter the need.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that people have a responsibility to themselves and others, that achievement is realized through challenge and that success builds self-esteem.
