

We Build Futures Award

January, 2019

Hank Oppenheimer

*Science Teacher
Neshaminy High School*

In your nomination, the following were noted:

- You combine strong subject expertise with important teaching strategies that help to convey science topics in meaningful ways to your students;
- You present the information in challenging science classes to your students in a way that is rigorous but accessible;
- You differentiate your instruction to meet the various learning styles of your students;
- You care about the success of each of your students;
- You are tenacious in your efforts to support your students' success in your class; and
- You take proactive steps to work with school counselors to ensure that your students have other sources of support.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that people learn in different ways and at different rates; that achievement is realized through challenge; that success builds self-esteem; and that children are the future.
