

We Build Futures Award

January, 2019

Donna Tull

*Building Technician
Maple Point Middle School*

In your nomination, the following were noted:

- You work tirelessly to make sure technology at Maple Point works seamlessly;
- You ensure that you interact with staff in a timely and effective manner;
- You work with determination to correct a technology issue to make it available as soon as possible, especially for student use in the classroom;
- You have a caring personality that makes it easy for students and staff to get the help they need; and
- You have a patient approach that is greatly appreciated.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that all people have worth and that excellence in education requires support, sacrifice, and involvement from the total community.
