

We Build Futures Award

October, 2018

Karen Blumenfeld

Maple Point Middle School PTO President

The Neshaminy – We Build Futures Award is more often presented to District employees who work to accomplish the District’s mission and/or make significant contributions toward advancing the implementation of the District Strategic Plan. However, it is our pleasure recognize you with a Neshaminy – We Build Futures Award for your dedication to Maple Point students.

In the District’s Mission Statement, it reads “the Neshaminy community builds futures.” As part of the community at Maple Point and as President of the PTO, the time you devote to our students is amazing. Your efforts in fundraising, school activities, field trips, field day, and supporting those in need are just a few examples of how you have helped build the futures of our students. You are a highly valued member of the Maple Point Middle School team.

The above are examples of ways that you show you care about your volunteer work and our students. Your work supports our District Belief that excellence in education requires support, sacrifice, and involvement from the total community.

You are an asset to Maple Point Middle School and the District as a whole.
