Jan King

Lead Teacher & Physical Education Teacher, Neshaminy S.D. & Neshaminy H.S.

In your nomination, the following were highlighted:

- Your tremendous work advocating and establishing an initiative that unites with the community to offer information, education, resources and help for those dealing with the current epidemic of substance abuse -- #StandUpNeshaminy;
- Your steady, dependable oversight of the longstanding Neshaminy summer theater program -- Summer Stock; and
- Your thoughtful, dedicated leadership of the District Health and Physical Education department – a group of educators who stand out among their peers in other Health & Physical Education programs around the county, state, and nation.

All of the above are examples of ways that you show you care. Your work supports our District belief that our children are our future; that all people have worth; and that excellence in education requires support, sacrifice, and involvement from the total community.

You are an asset to the District as a whole.
