

We Build Futures Award

October, 2018

Anne Schmidt

Social Studies Teacher & Department Chair, Maple Point Middle School

In your nomination, the following were highlighted:

- You involve students in community-based activities and create a foundation for them to become productive members of society (e.g. the Butterfly Effect, Ronald McDonald House fundraiser, etc.);
- You are committed to provide real-life learning experiences for students during Constitution Week by arranging government leaders to speak about the Constitution and our basic rights as a US citizen;
- You have played a pivotal role in Maple Point's Veterans Day Celebration event, teaching students history through this special connection with veterans and modeling the appropriate respect and honor that is due those who have served our country;
- You recently provided a memorable experience for over 40 eighth grade students who accompanied veterans on a recent Bucks County Tour of Honor to Washington DC; and
- You lead and coordinate activities in the Social Studies department.

The above are examples of ways that you show you care about your work and our students. Your work supports our District Beliefs that excellence in education requires support, sacrifice, and involvement from the total community and that people have a responsibility to themselves and others.

You are an asset to Maple Point Middle School and the District as a whole.
