In your nomination, the following were highlighted:

- You are a huge resource for all our staff and administrative colleagues at Sandburg, in all facets of their work, helping students succeed both academically and socially;
- You have contributed to eSchool training for your fellow administrators and assist staff with many eSchool issues;
- You are an active, contributing member of the Student Assistance Program (SAP) team and District Technology 1:1 team;
- You are a leader in the Canvas Initiative -- helping students, teachers, and families maximize the utilization of this new learning management system;
- You are the initiator of GoGuardian to Neshaminy -- helping monitor the technology use within the District; and
- You are a dedicated, positive leader within all that you do on behalf of Carl Sandburg Middle School and the Neshaminy District overall.

The above are ways that show you care about your work and our students. Your work supports our District Beliefs that excellence in education requires support, sacrifice, and involvement from the total community; that people learn in different ways and at different rates; and that achievement is realized through challenge.

You are an asset to Carl Sandburg Middle School and the Neshaminy School District as a whole.
