

## We Build Futures Award

August, 2018

### **Debby Spadaccino**

*Administrative Assistant  
Superintendents Office*

. In your nomination, the following were highlighted:

- You have been a consistent supporter of Neshaminy in your various roles across the district throughout the course of your career;
- You are a hard worker who can be depended on to complete tasks and do them well;
- You know Neshaminy history and have helped by sharing this information with those who are new to the district so that connections and comparisons are able to be made between the Neshaminy of today and the Neshaminy of yesterday;
- You have been a vital link between the work of the district administration and the school board;
- You have navigated numerous changes in personnel and in office function, and every time you managed to optimize your performance and effectiveness;
- You have been a leader through example and have earned the respect of all who have dealings with the Superintendent's Office; and
- You exemplify what it means to be a lifelong learner and productive citizen.

All of the above are examples of ways that you show you care about your work, your colleagues, and this school district.
