

We Build Futures Award

September, 2018

Anthony Vizzino

Social Studies Teacher, Carl Sandburg Middle School

In your nomination, the following were highlighted:

- Your active role in the school SPIRIT program – as committee member and emcee for the assemblies;
- Your efforts as an instructional leader through participation in the LaSalle Instructional Coach Program and co-facilitation of Canvas Professional Learning Community;
- Your involvement with students above and beyond your classroom responsibilities – as a softball coach, a mentor, an attendee at extra-curricular events, etc.
- Your high level of energy, your engaging approach to teaching, and your overall enthusiasm; and
- Your caring approach to both students and staff.

All of the above are examples of ways that you show you care. Your work supports our District belief that our children are our future and that a quality education is a right.

You are an asset to Carl Sandburg Middle School and the district as a whole.
