

Personal Vision Statement

“All students can learn and succeed in a caring, safe environment; through an excellence in teaching and collaborative relationships.”

Core Values

- **Leadership**- no one without everyone
- **Collaboration**- all accountable in serving all students
- **Knowledge**- all can learn and all can succeed
- **Determination**- every student every day
- **Expectations**- high standards lead to academic, behavioral and emotional growth.

Welcome to Walter Miller Elementary!

It is with great pleasure that I welcome you to our Walter Miller family. My name is Troy Bodolus and I am honored to be the principal of Walter Miller. I am beginning my ninth year in administration. This is my second year as the principal of Walter Miller.

Our staff is dedicated to providing a rigorous and exciting education in a nurturing environment. Our students, energetic and creative, study in a variety of places around the school. We have an enthusiastic PTO that works with parents and staff to build a strong working relationships among parents, teachers and schools, in support of students.

Our school culture reflects a community spirit of diligence toward learning — both in and out of the classrooms. Our students strive toward becoming good citizens and lifelong learners as they develop understandings of literature, mathematics, science, social studies, technology and the arts.

I believe in creating a solid educational foundation in all children. I strive to make your child's experience positive and prepare them for tomorrow. I look forward to working with each of you to create a positive environment where students are provided innovative learning experiences and are inspired to get involved.

My wife and I have two children Brianna and Zack. When I am not at school I am usually found going to sporting events for my children, reading, completing home projects, volunteering at my church and participating in community events.

Sincerely,

Troy Bodolus

Principal

Walter Miller Elementary
