Tawanka Elementary School Summer Reading Challenge 2019

Dear Parents,

Tawanka wants to encourage our students to be active summer readers and writers. It is recommended that our students, going into 5th grade, read books from the Reading Olympics' List. In addition, the students can choose books from the district read list, which is located on the Tawanka web-site. We hope that your child will utilize their local library and Barnes and Noble to get a larger selection of exciting books to read.

Congratulations to our 4th graders. We wish you success in your future. Have an adventurous summer!

Miss Connolly
