Tawanka Elementary School Summer Reading and Writing Challenge 2019

Dear Parents,

Tawanka wants to encourage their students to be active summer readers and writers. This year the students are asked to read for six hours during the summer. The students can read books from the district read list, or participate in the summer reading programs from the Bucks County Libraries, Barnes and Noble, or any other summer reading incentive program. These reading incentives may be turned in to meet our requirements. Please utilize the RAZ program that was set up for your child for the school year. We hope that your child will check out their local library and Barnes and Noble to get exciting books to read.

A “suggested” district book list is found on the Tawanka web site. A reading log is provided for you. Remember to view your library web-site, buckslib.org for additional summer reading activities. Find the libraries closes to you.

Tawanka also want our students to become writers. Write a journal about your summer, a story, or even poetry.

What do you have to do? READ!!!! WRITE!!!! And give your journal and reading log to your teacher the first week of school.

Everyone who turns in a reading log will earn a certificate and a small prize. Please have your child’s full name and teacher’s name on the reading log.

What a wonderful way to experience new and exciting adventures through books and writing.

Sincerely,

Miss Connolly, Mrs. Gross, Mrs. Peto

Tawanka Reading Log

I read for 6 hours during the summer.

Student's Name_____

Teacher/Grade (2019-2020)

Parent/Guardian Signature

**Return your reading log and/or journal to you teacher by
Friday, September 13, 2019.**

Enjoy your summer!
