

## Elementary Online Resources

Parents: Neshaminy School District offers great online math and reading resources that are available to you and your students. If you have any questions or need assistance with any of these programs, please do not hesitate to contact your child's teacher.

# Improve Your Child's Reading and Math Scores!

## Math Programs Available:

- **First In Math:** This website works on problem solving, critical thinking and basic math fact skills. This program is available to students in grades K-5. [www.firstinmath.com](http://www.firstinmath.com)
- **Think Central:** This website provides online access to your child's textbook and workbook for the Math In Focus program. This program is available to all students in grades K-5. [www.thinkcentral.com](http://www.thinkcentral.com)
- **Dream Box:** This website focuses on independent practice of math skills that adjust to the child's optimal learning level based on his/her progress. This program is available to students in grades K-5. [www.dreambox.com](http://www.dreambox.com)
- **Math Buddies:** This website provides interactive examples and practice problems for each math skill. It also allows students to have access to class assignments for extra practice and/or to make up missed work due to absences. At this time, Math Buddies is only available in grades 3-5. [www.mymathbuddies.com](http://www.mymathbuddies.com)

## Reading Programs Available:

- **SuperKids Online Fun:** This website allows students to play online games and read interactive books and magazines. [www.superkidsreading.org](http://www.superkidsreading.org)
- **Raz Kids:** This website is an interactive reading tool for our students to practice reading fluency and comprehension. <http://raz-kids.com/login>
