Special thanks to the Neshaminy social workers, school nurses, administrators and guidance counselors throughout the district who help identify students and families in need and coordinate the delivery of donations.

And finally

To all the volunteers, community members, government officials, first responders, local business owners and employees, current and retired educators, support staff, families and individuals who give generously of their time, resources, energy and enthusiasm all year long to support the children and families of Neshaminy School District

Thank You
