We hope this email finds you and your family well. Your 6th grade teachers are excited for this upcoming year.

One area that we will focus on is organization. We are requesting one binder. One **2-inch binder** will be used for all the core classes.

One marble composition book is for Reading class, one for English, and one for math. The calculator is a necessity for math class.

Please set up the binder and pencil case, then leave extra supplies at home to replenish as the year goes on.

Thank you for your support!

Have a great summer!

-Yours truly,
