Neshaminy Pre-K Counts is expanding!

Thanks to an increase in state funding, the Pre-K Counts program in the Neshaminy School District is more than **doubling in capacity** for the 2018-2019 school year! This program will be offering 120 seats in xxx buildings within the boundaries of Neshaminy School District including classrooms at:

- Albert Schweitzer Elementary School in Levittown
- Joseph Ferderbar Elementary School in Feasterville
- Lower Southampton Early Learning Center (the former Lower Southampton Elementary School)

Registration applications are now being accepted for enrollment in this program. Eligible families are encouraged to apply as soon as possible to avoid missing out on this valuable educational opportunity!

Pre-K Counts is a **FREE**, high-quality full-day preschool program funded by state grants. Research clearly demonstrates the importance of pre-kindergarten education to success in elementary school and beyond. Neshaminy is pleased to offer this opportunity to qualified families right here in the district.

All families must provide transportation to and from the program five days a week. For information and application materials, please visit
