created a very large backup of some elementary school buses had a hard time getting to the school and it delayed the start of our school day by 15 minutes. We also received many complaints. We would like to encourage students to continue to ride the bus on rainy days so we can avoid this problem in the future.

Thank you in advance for your cooperation!

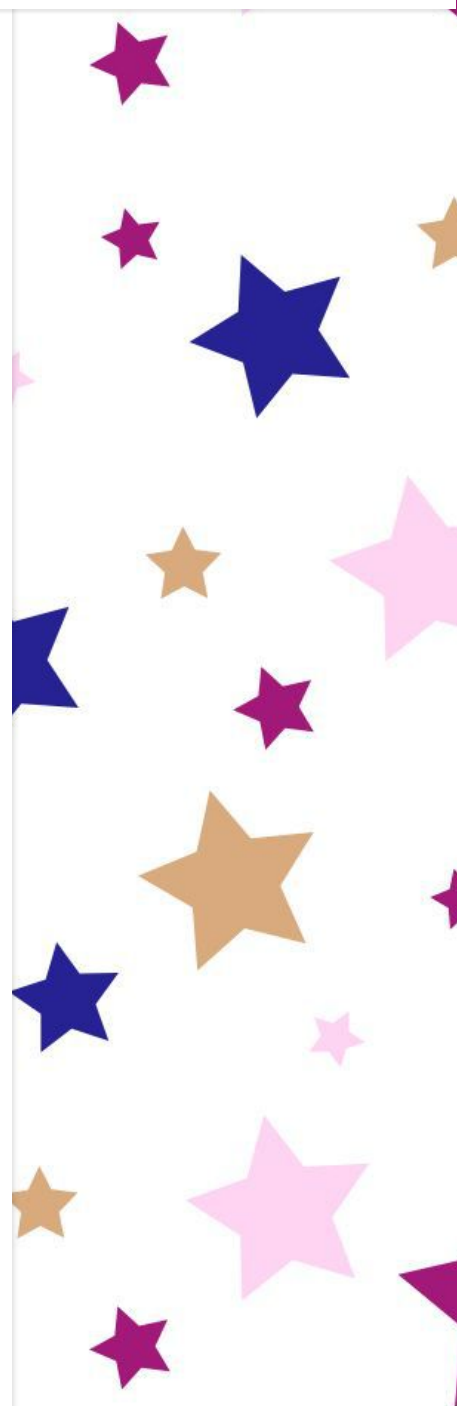

Please pack a snack for your child every day. Students have the opportunity to eat a quick snack in class during their designated snack time to help fuel their body and mind. The nurse does not provide snacks to students who forgot to bring a snack.

It is also a good idea to pack a water bottle for your child to use throughout the day. Please make sure it is a bottle that closes tightly and will not spill.

## BREAKFAST AND LUNCH MENUS

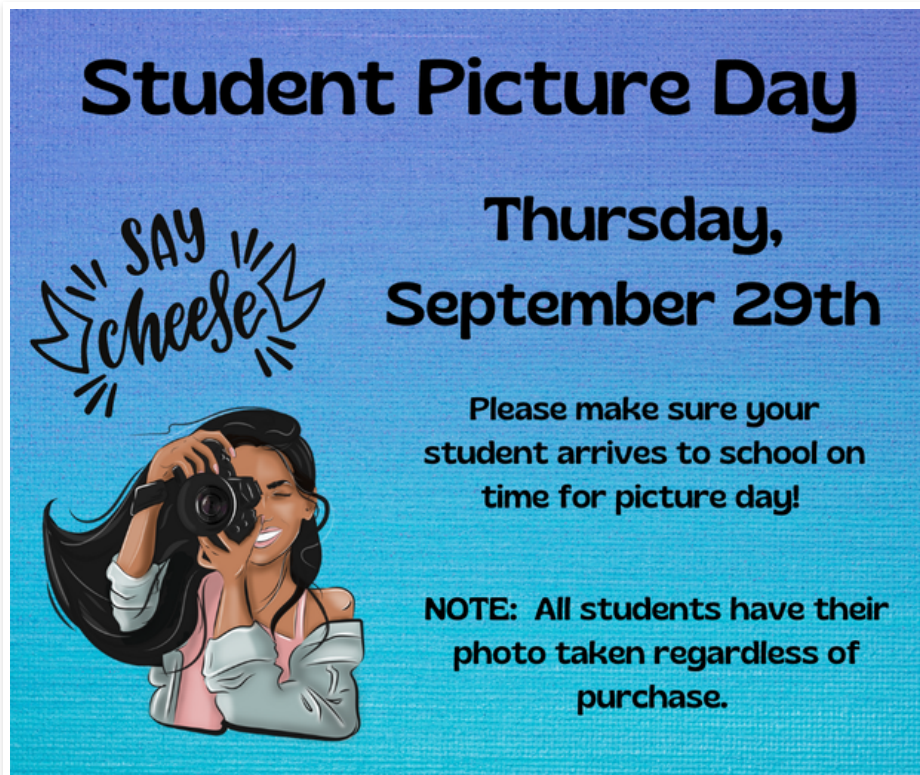

The daily cost for elementary breakfast is \$1.50 and lunch is \$2.80. There are also ala carte snacks available for purchase.

LOW COST – HIGH LIMIT  
STUDENT ACCIDENT GROUP INSURANCE

**THE SCHOOL DISTRICT DOES NOT CARRY MEDICAL INSURANCE FOR STUDENTS**

This is a reminder to parents with a child or children attending school in our School District that we do not carry medical insurance on students but do provide parents with the opportunity to select a primary excess group insurance plan for students. Student accident insurance can help you eliminate the possibility of out-of-pocket expenses, since many group insurance policies no longer pay full hospital and medical expenses and may require a deductible or co-insurance. There are three plans with the following options available for your consideration:

- **Option #1 Plan A - School Time Coverage** – Costs \$27 per student – This will cover injury occurring while the student is traveling to and from school, while attending school sponsored activities such as plays, assemblies, class trips, interscholastic sports other than Sr. high football, intramural sports, gym and physical education classes, etc. **Plan AA** costs \$36 per student; **Plan AAA** costs \$45 per student
- **Option #2 Plan A - 24 Hour Coverage** – Costs \$98 per student – This will cover all of the above, plus accidents occurring away from school, in the evenings and on weekends, vacations, etc. **Plan AA** costs \$130 per student; **Plan AAA** costs \$165 per student
- **Dental Accident Insurance Option Plan A** – Costs \$8.00 per student and can be added to either plan listed above. **Plan AA** costs \$8.50 per student; **Plan AAA** costs \$9.00 per student

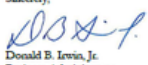

Please note that the plans should be considered in conjunction with any other family medical insurance you may have.

Please see the **Voluntary Student Accident Medical Plans** for a complete description of the plans and the various coverage options. If you have any questions, please call an Insurance Broker at Alive Risk directly at (215) 946-8888 between 8:00 a.m. and 4:30 p.m.

**To Enroll: Please visit <https://www.aliverisk.com/StudentAccidentEnrollment> to complete the enrollment form.**

**Enrollment opens on Wednesday, August 31, 2022.**

This insurance can be purchased anytime during the 2022-2023 school year. Parents enrolling more than one child must fill out an application for each child. Your completed online order is your proof of payment. Thank you!

Sincerely,

## AHERA NOTICE

Neshaminy School District has engaged Eagle Industrial Hygiene Assoc., Inc., to fulfill the requirements of the Asbestos Hazard Emergency Response Act (AHERA), 40 CFR Part 763, Subpart E. This law requires that each Local Education Authority (LEA) engage EPA accredited individuals to initially inspect and subsequently reinspect every three years all student and staff accessed areas for the presence of both friable and non-friable asbestos containing materials (ACM) and to develop an Asbestos Management Plan from the information developed from the building inspections. All areas of our facilities were inspected for asbestos containing materials.

The Management Plan provides a description of the amount, type, location and condition of all ACM found in these areas. The Plan also contains a detailed schedule of responses and activities for handling the ACM. The Management Plan is available for review by interested parents, faculty and staff in all school offices during business hours.
