

Happy Holidays!

F-3 Cahill Superstars Newsletter

December 20,
2019

Language Arts

In reading, we continue to work on point of view. We are focusing on understanding whose point of view a story is being told. The children understand that knowing the point of view can allow us to better comprehend what we are reading. *In writing*, we completed some fun holiday themed writing! We wrote about "if I was an elf". We also wrote some thoughtful holiday cards 😊.

SCIENCE

We completed our animal adaptations books this week! We are beginning to work on a final project through Defined STEM. The children are acting as nature park rangers and must help 3rd grade visitors understand what adaptations are!

Math

We continue to build our multiplication fluency and practice different strategies to solve multiplication problems. We had a lot of fun practicing our math facts this week. We will be working on solving word problems using different multiplication strategies. Please log onto IXL and REFLEX math to reinforce fluency. We had fun making Santa's beard filled with the many multiplication facts we have mastered!

Notes from Mrs. Cahill

Thank you all for your classroom donations! Also, thank you for signing up to send something in for our holiday party. The children had a blast! Thank you to Mrs. Miller for helping us out!

Have a happy and healthy holiday break!

Important Dates

Mon. Dec 23- Wed. Jan 1st - School is closed

Holiday Wish List

We are in need of some extra classroom supplies. If you can, please consider donating the following to our class 😊 Thank you so very much! <3

Glue
Glue Sticks
Crayons
Colored Pencils
No2 Pencils
