

Today you are YOU,  
that is TRUER than true.  
There is NO ONE alive  
who is YOUER than YOU!

## Language Arts

*In reading, we worked on summarizing and retelling. We are rereading a passage several times. We are practicing picking out what information is important versus unimportant. Next week, we will focus on theme and character traits. In writing, recorded our biographies on Seesaw and shared them! We also began our unit on opinion writing! We all have an opinion about something 😊 We are working on different grammar skills and vocabulary daily.*

## SCIENCE

*We have spent the last two weeks planning and preparing as we get ready to create a replica of an artifact! This week we finally were able to make our replica carving! The children had a blast!*

## Math

*We are working on fractions! We will have our fractions test on Friday 3/6. A study guide will come home on Monday. Please review and practice with your child daily. We are also still practicing multiplication/division/addition/ subtraction daily. We will continue to work on these skills as the year continues. Please continue to practice all skills using IXL. PLEASE take advantage of these wonderful resources. IXL and Prodigy are two great free resources for home!*

prodigy
