

hello March!

F-3 Cahill Superstars Newsletter

March 6, 2020

Language Arts

In reading, we are discussing theme and character traits. During guided reading we focused on sequencing events and understand that being able to sequence helps us understand what we are reading. Our current read aloud is Trumpet of The Swan! In writing, we continued writing our opinion pieces and enjoyed some fun Dr. Seuss writing activities. We are working on different grammar skills and vocabulary daily.

Social Studies

We have begun learning about immigration. The children are enjoying learning about how, why, and when many people came to America! They are also enjoying learning where some of their ancestors may have immigrated from!

Math

We continue to work on fractions and will have our fractions test on Monday 3/9. A study guide has been sent home. Please review and practice with your child daily. We are also still practicing multiplication/division/addition/ subtraction daily. We will continue to work on these skills as the year continues. Please continue to practice all skills using IXL. PLEASE take advantage of these wonderful resources. IXL and Prodigy are two great free resources for home!

Notes from Mrs. Cahill

We will begin listening and responding to podcasts as part of our guided reading time and center rotations in class. **If you have not done so already, please send in headphones or earbuds for your child.** Some of them have some, but they make have broken since the beginning of the year! Thank you for your help!

Important Dates

March 19th- Schweitzer Science Fair

March 27th- PTO Bingo Night
