

F-3 Cahill Superstars Newsletter

March 13, 2020

Language Arts

In reading, we continue to discuss theme and character traits. During guided reading we are focusing on comparing and contrasting information in non-fiction texts. In writing, we continued writing our opinion pieces! We are working on different grammar skills and vocabulary daily.

Social Studies

We are enjoying our immigration unit of study. We are learning all about the process in which immigrants went through as they entered the United States! It was very fun learning all about your child's history!

Math

We have begun working on money. We will be working with money up to \$5.00. The class will be working on adding, subtracting, and comparing money. We will also be working on real world word problems using money. We are also still practicing multiplication/division/addition/ subtraction daily. We will continue to work on these skills as the year continues. Please continue to practice all skills using IXL. PLEASE take advantage of these wonderful resources. IXL and Prodigy are two great free resources for home!

Notes from Mrs. Cahill

Please continue to check your email regularly with information from me. All children came home with their clever login information. Please let me know if you have any issues logging in at home.
