

F-3 Cahill Superstars Newsletter

September 13, 2019

Language Arts

We enjoying building stamina as readers. We are learning the routines for reader's workshop time. We practiced reading to a partner this week. Next week, we will practice choosing just right books!

In writing, we finished up our summer writing assignment. We began our first official grammar lesson by identifying what makes a complete sentence and how to identify a sentence fragment.

Social Studies

We had fun playing games on our interactive classroom map to help us identify the continents and oceans!

Math

This week we continued to work with numbers to 10,000. We are working on looking for patterns in numbers, comparing groups of numbers by looking at place value, and writing numbers in all of their forms. Next week, we will be having our first Math test on Friday September 20th. The children will take a practice test. They will be able to take this home and study.
