We Build Futures

Good Morning Neshaminy,

On Tuesday evening, the Neshaminy School Board added the below Addendum to the COVID Health & Safety Plan adopted on July 22.

Quick Summary:

1. Beginning September 1, Masks are required K-12 on Buses
2. Beginning September 1, Masks are required K-8 inside our schools

I have also attached the Mask Exemption Form. Please return completed forms to your Principal.

The County Superintendents have a meeting with BC DoH this afternoon to better understand the latest guidance from Bucks County (August 24). This latest guidance is a vast departure from how Neshaminy, other Districts in the County and BC DoH have operated for more than a year to successfully navigate the balance between student/staff safety and keeping students/staff in school. Once we understand it and can operationalize the new expectations, I will provide more detail early next week prior to the first day of school.

Again, thank you for your patience and continued support.
