

Good Morning Neshaminy,

This email will further explain Plan D's options for parents not comfortable sending their child(ren) to school when Neshaminy returns to in-person instruction in the future. Since we are beginning school online for at least the month of September, there is not a rush to make this choice. However, those families who have already made the decision to choose Plan D Opt-out for a period of time, you may wish to begin the year in that program. Doing so now will alleviate the transition of teachers resulting from opting-out when Neshaminy moves from Plan C, Online to Plan B, Blue/Red Hybrid. (I am not even sure I understand what I just wrote....) Below are some clarifications of the nuance.

Plan D/Neshaminy Opt-out:

Opt-out to Remote Learning in Math, English, Science and Social Studies with the ability to return to the in-school options anytime during the school year. Canvas-based asynchronous courses taught by Neshaminy Teachers using the Neshaminy Curriculum. Once we get the program established, we'll add some electives along with live-streaming and classroom videos. This option reserves your child a seat in his/her classes/courses while he/she is taught by Neshaminy's Remote Learning Staff. As such, these courses will not be taught by your children's regularly scheduled teachers. Instead, the courses will be taught by Neshaminy Teachers across the District who have chosen to take on additional classes beyond their normal day. This permits easy return to school when parents/child(ren) deem appropriate. However, students can remain in this option for the entire year if necessary.

This option will be available in late August / early September and will remain available through the full re-opening of school. A Sign-up Form coming.

Plan D/Cyber Academy Full Year Opt-out:

Opt-out for the entire school year without the ability to move back to in-school programs during the school year. Full year, full at-home schedule of virtual programming via the Neshaminy School District Virtual Academy Program. Neshaminy has partnered with the Chester County IU to offer this program. (<https://www.cciu.org/Page/1217>)

More details of NSDVA are below. Those parents wishing more information on NSDVA or who are ready to make the move now, should contact Mr. Paul Mahoney at 215-809-6549 or pmahoney@neshaminy.org.

This option is available now and will remain available through the full re-opening of school. No Sign-up Form coming. Simply call Paul.

“Neshaminy School District Virtual Academy (NSDVA) is our online/cyber academic program. NSDVA provides students a full-time, full school year cyber option with all the added services the Neshaminy School District has to offer. The NSDVA brochure is below.

The Neshaminy School District Virtual Academy offers:

- multiple online platforms comprising over 200 courses focused on 21st century learning skills (including honors, Advanced Placement and NCAA-approved courses),
- PA-certified teachers dedicated to individual student success,
- available face-to-face or online support provided by an on-site Personal Learning Coach,
- an array of online student supports, including student-assigned teacher assistants and advisors; virtual, real-time, one-on-one support; and a technology help desk,
- the opportunity to participate in Neshaminy clubs, sports and other co-curricular activities at your neighborhood school,
- optional dual enrollment for Grade 12 students with Harrisburg Area Community College and
- a Neshaminy High School diploma for students who complete graduation requirements through the NSDVA.” (Mahoney, et al., 2015)

Questions?

Plan D/Cyber Academy Full Year Opt-out Questions and Enrollment in NSDVA:

Please contact Mr. Paul Mahoney at 215-809-6549 or pmahoney@neshaminy.org.

General Re-opening Questions: “Ask Trish” at 215-809-7777 or questions@neshaminy.org

The Re-opening FAQ Webpage: Coming early next week. (It’s about time...)

Other pressing Re-opening Concerns: Call or email me (with your phone number!)

Still with Neshaminy Pride,

Rob
215-809-6512

Rob McGee, Ph.D.
Superintendent
Neshaminy School District
rmcgee@neshaminy.org

Creating Value Online

As parents, we know that you want to provide the best learning environment for your children and set them on the path to success. We understand that the self-guided nature of online learning may seem intimidating at first, but when your children attend a school that is fully invested in their personal successes, those successes quickly become reality.

Neshaminy School District Virtual Academy is that school.

At NSDVA, students will:

- Learn at their own pace
- Take ownership of their success
- Receive an education that is customized to their unique learning style
- Be personally supported along the way

Get to know NSDVA!

Achieving Student Success Online

Expect More

Neshaminy School District Virtual Academy (NSDVA) can be your child's personal solution.

Our comprehensive program combines the personal attention and local perspective of Neshaminy School District with the content, tools and services available from a variety of the top, national online providers, allowing students to stay in district while offering an array of learning opportunities.

- ◆ **200+ Courses**
Including AP and Honors
- ◆ **30+ Teachers & Support Staff**
- ◆ **100+ Clubs & activities**
Offered online & in the district
- ◆  **Neshaminy diploma upon graduation**

Personalized Approach

Neshaminy School District believes that all students learn in different ways and at different rates. Along with expanded curricular options that all traditional cyber programs can provide, NSDVA will have a Personal Learning Coach (PLC) involved in overseeing progress and serving as a mentor to the students. Students will meet with the PLC to address program protocols and resources available for success. Regularly scheduled optional social events within close range of the Neshaminy community will be coordinated by the PLC as a way to further engage students as members of a diverse learning community.

Meet Neshaminy School District Virtual Academy

From courses to teachers to technology, NSDVA provides an unmatched, comprehensive program that raises the bar in online learning.

ENGAGEMENT

Through a variety of in-person events and learning opportunities, NSDVA strives to remove the distance created by the computer. And because you remain in district, students can also easily continue to participate in Neshaminy School District sports and activities.

SUPPORT

NSDVA has multiple supports in place to help students succeed in the online-learning environment, including weekly progress reports. While extra help is always available, NSDVA students learn to advocate for themselves and own their learning.

TECHNOLOGY

NSDVA is ready to provide all required technology for students with on-demand technical support.

CURRICULUM

Multiple platforms provide flexibility for different learning styles and give Neshaminy the ability to customize content. AP, Honors and Credit Recovery courses are available, as well as NCAA-approved courses.

PERSONAL LEARNING COACH

Our PLC will work directly with students and families by providing weekly reports on work completion, monitoring the mastery of content standards and reviewing student time on task.

TEACHERS

The attention and personalization expected of classroom teachers is what you will find in the NSDVA online teaching staff. Our highly qualified, PA-certified staff are invested in your child's success.

Neshaminy School District Virtual Academy students are welcome to participate in extracurricular activities within our neighborhood buildings as well as specialized, socialization activities coordinated by the NSDVA's Personal Learning Coach (PLC).

2020-2021 COURSE LIST

BVA sources curriculum from several vendors to provide the largest catalog possible and the most individualized course content for each learner. Please visit us at <https://bva.myvirtualacademy.org/> for more information.

***Course selection may vary due to vendor availability and is subject to change based on enrollment.**

Vendors

Odysseyware (ODY)- Courses are prescriptive, with clear and linear paths to completion that students find helpful and easy to navigate. ODY is a good fit for most learners, particularly those who are new to online learning.

Edgenuity (EDG)- Provides direct-instruction video content for lessons, making online learning more interactive and personal. They offer a large selection of unique and interesting electives. Edgenuity is a good fit for those students who are not strong readers.

eDynamic- eDynamic is the largest publisher of Career Ready and Elective courses in North America, and the only publisher solely dedicated to developing programs of student in pathways leading to industry recognized certifications.

Accelerate Education (ACC. ED)- The Accelerate Education curriculum offers rich and engaging content that has been carefully designed to meet the standards required by states. Students are engaged in a variety of activities and assessments appropriate to the courses being studied, including labs, journals, written assignments, discussions, group and individual projects, formative assessments, objective tests and written exams.
