We Build Futures

Dear Neshaminy Families,

The USDA has extended the Seamless Summer Feeding program that offers free breakfast and lunches to all students through December 31, 2020 or until funding runs out. Unfortunately, one change is that we can no longer provide meals for the weekends. Therefore, all students who are attending school can receive a **free** breakfast and a **free** lunch while attending school. In addition, Neshaminy will continue to provide free meals to those who wish pick-up the meals via our current drive-up/pick-up process to all children 18 and under on Mondays and Wednesdays from 11am to 1pm. Lunch pick-up locations are: Tawanka ES, Poquessing MS, Carl Sandburg MS and Herbert Hoover ES.

In October when we get students into our buildings via an A/B schedule, we will update everyone on any changes to the sites and days for those to get lunch who are not scheduled to be attending school physically in our buildings.

Any questions should be directed to our food service department. You can either reach Angelique Defeo at adefeo@neshaminy.org or Matt Taglieber at mtaglieber@neshaminy.org. You may also call our opening schools hotline number at 215-809-7777.
