

# Snow Day Art Challenge

Choose one or more of the challenges below to participate in. Ask for your parents' permission before you start. Then, use whatever resources you have at home, and bring your entry back to the art room by noon the next day that we DO have school! Winners will be chosen in each category and revealed during the morning announcements in a few days. Good luck and happy making!

<b>DRAW</b>	Draw a snow globe containing a creative landscape. Your picture must include a foreground, middle ground, and background.
<b>BUILD</b>	Build the tallest tower possible out of ice cubes. DO it on a towel...ice melts! Have your parent take a picture for evidence and email it to your art teacher. You should be in the photo too, for size reference.
<b>DESIGN</b>	Design the ultimate sled. Be sure to draw it from different angles to show all the unique features (rocket boosters, automatic cocoa machine, etc....be creative).
<b>MAKE</b>	Make as many individually cut snowflakes from full size paper (8.5"x8.5") as possible, Each snowflake must be made from one paper (no confetti snowflakes please) He/she with the most snowflakes wins!
<b>IMAGINE</b>	Imagine a world where something ELSE (besides snow) fell from the sky today (candy, cats, coffee...you decide)! Draw or paint what that place would look like.
<b>CREATE</b>	Go outside and build a snow sculpture! Have your parent take a picture for evidence and email it to your art teacher. You should be in the photo too, for size reference!
