

# Core Creek Elementary

## Student Enrollment Scenarios

# Current Planned Model

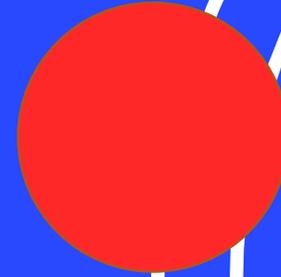

- Board Closure Hearing for Pearl Buck , May 7, 2024 ✓
- Development of Enrollment Scenarios ✓
- Board Committee presented with administrative Scenarios on Redistricting plans, June 13, 2024 ✓
- Board Formally presented to adopt proposed Scenario Plan for Core Creek/Redistricting; September 2024
- Planning Process and transition plans for opening of Core Creek and Closure of Pearl Buck through direction of Mr. Bowman; Summer/Fall 2024
- Soft Opening January 2025
  - Move **ALL** Pearl Buck Students and Staff to Core Creek, January 2025
- Final Phasing of Redistricting Process into Core Creek and other Elementary Buildings Fall of 2025
  - Additional community notifications/mailings after Pearl Buck move January 2025; Goal: to avoid confusion w/in community with the Soft Opening Phase of Core Creek

# Enrollment Scenarios

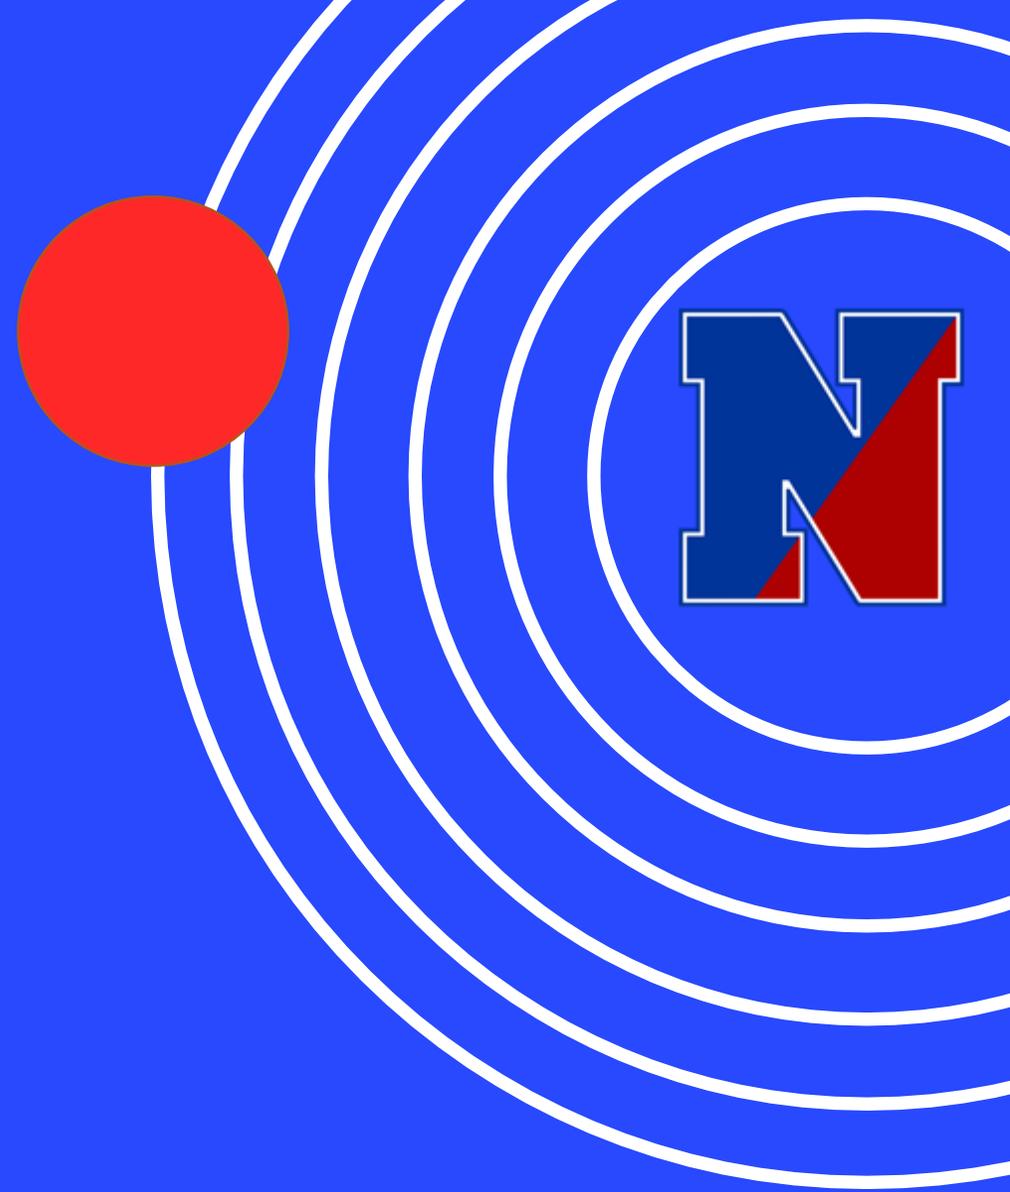

## CONSTRUCTION PROJECT GOALS

- ❑ Maximize Capacity at the new Core Creek Building
- ❑ Look at what makes geographic sense
  - ❑ Middle School Feeder better aligned w/elm.
  - ❑ Try to lessen amount of MS Feeder Splits when possible
- ❑ Better balance of enrollment within existing elementary buildings
  - ❑ Look at capacity concerns in buildings
- ❑ Create building space avenues to help support Specialized Programming District Wide

# Enrollment Scenario 1

- ❑ All of Pearl Buck including Twin Oaks Section move to Core Creek January 2025
- ❑ “Old Heckman” from Tawanka to Core Creek----Fall of 2025 (soft opening)

# Projected Enrollment Numbers Scenario 1

## Scenario 1

Old Pearl Buck 2025-26

\*558

"Old Heckman" 2025-26

224

Core Creek-----782

## Projected Scenario Outcome to District Enrollment

Buck -----Closed

Tawanka-----600

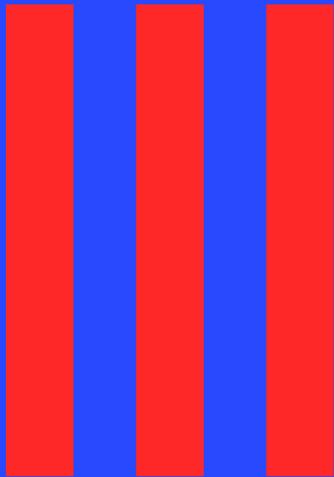

Herbert Hoover-----671

Walter Miller-----474

Ferderbar-----450

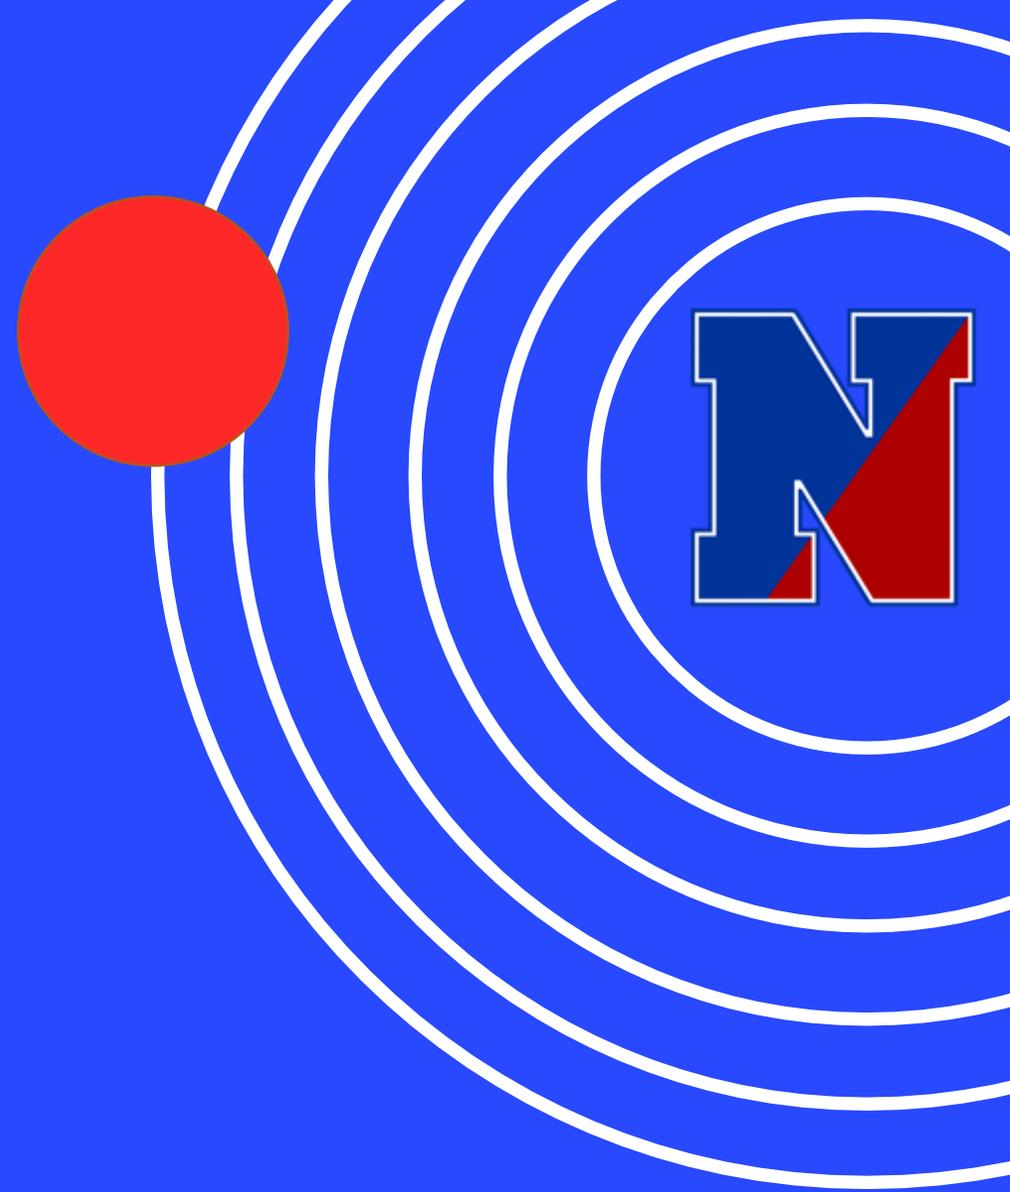

Schweitzer-----430

Core Creek-----782

# Enrollment Scenario 2

- ❑ All of Pearl Buck including Twin Oaks Section move to Core Creek January 2025
- ❑ “Old Heckman” from Tawanka to Core Creek Fall of 2025
- ❑ Brickman’s Way, Walnut Ridge, Walnut Grove and Trevoise Avenue area from Ferderbar to Tawanka Fall of 2025

# Projected Enrollment Numbers Scenario 2

## Scenario 2

Old Pearl Buck 2025-26

\*558

“Old Heckman” 2025-26

(224 students)

Core Creek-----782

Census Moves 9A and 9J

Brickman’s Way, Walnut Ridge, Walnut Grove and Trevoise Avenue area from Ferderbar to Tawanka (94 students)

## Projected Scenario Outcome to District Enrollment

Buck -----Closed

Tawanka-----694

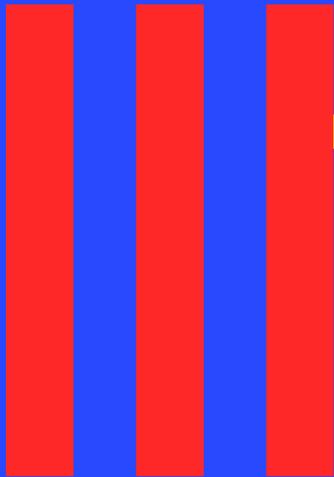

Herbert Hoover-----671

Walter Miller-----474

Ferderbar-----356

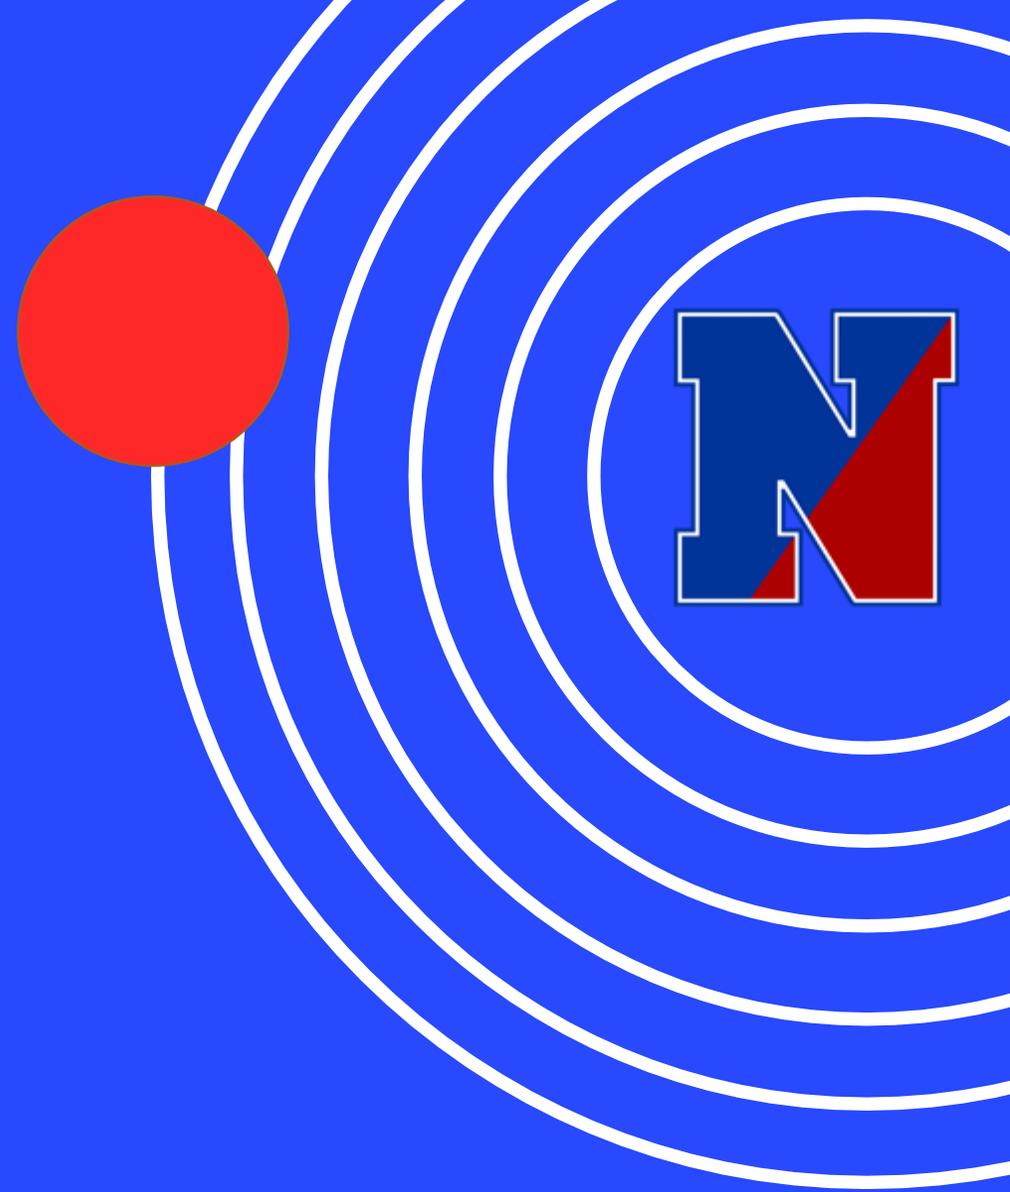

Schweitzer-----430

Core Creek-----782

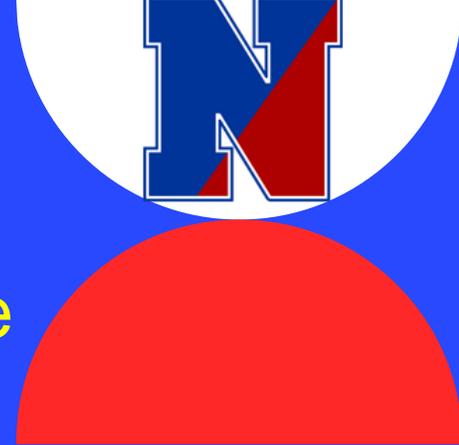

# Enrollment Scenario 3

- ❑ All of Pearl Buck including Twin Oaks Section move to Core Creek January 2025
- ❑ “Old Heckman” from Tawanka to Core Creek Fall 2025
- ❑ Tareyton Estates and Langhorne Terrace from Herbert Hoover to Core Creek Fall of 2025
- ❑ Brickman’s Way, Walnut Ridge, Walnut Grove and Trevoise Avenue area from Ferderbar to Tawanka Fall of 2025

# Projected Enrollment Numbers Scenario 3

## Scenario 3

✓ Old Pearl Buck/New Core Creek “CC”

558 (students)

✓ “Old Heckman” Fall 2025 to CC

224 (students)

✓ Tareyton Estates and Langhorne Terrace from Hoover Fall 2025 to CC

61 (students)

✓ Brickman’s Way, Walnut Ridge/Grove and Trevoise Avenue area from Ferderbar Fall 2025 to Tawanka

94 (students)

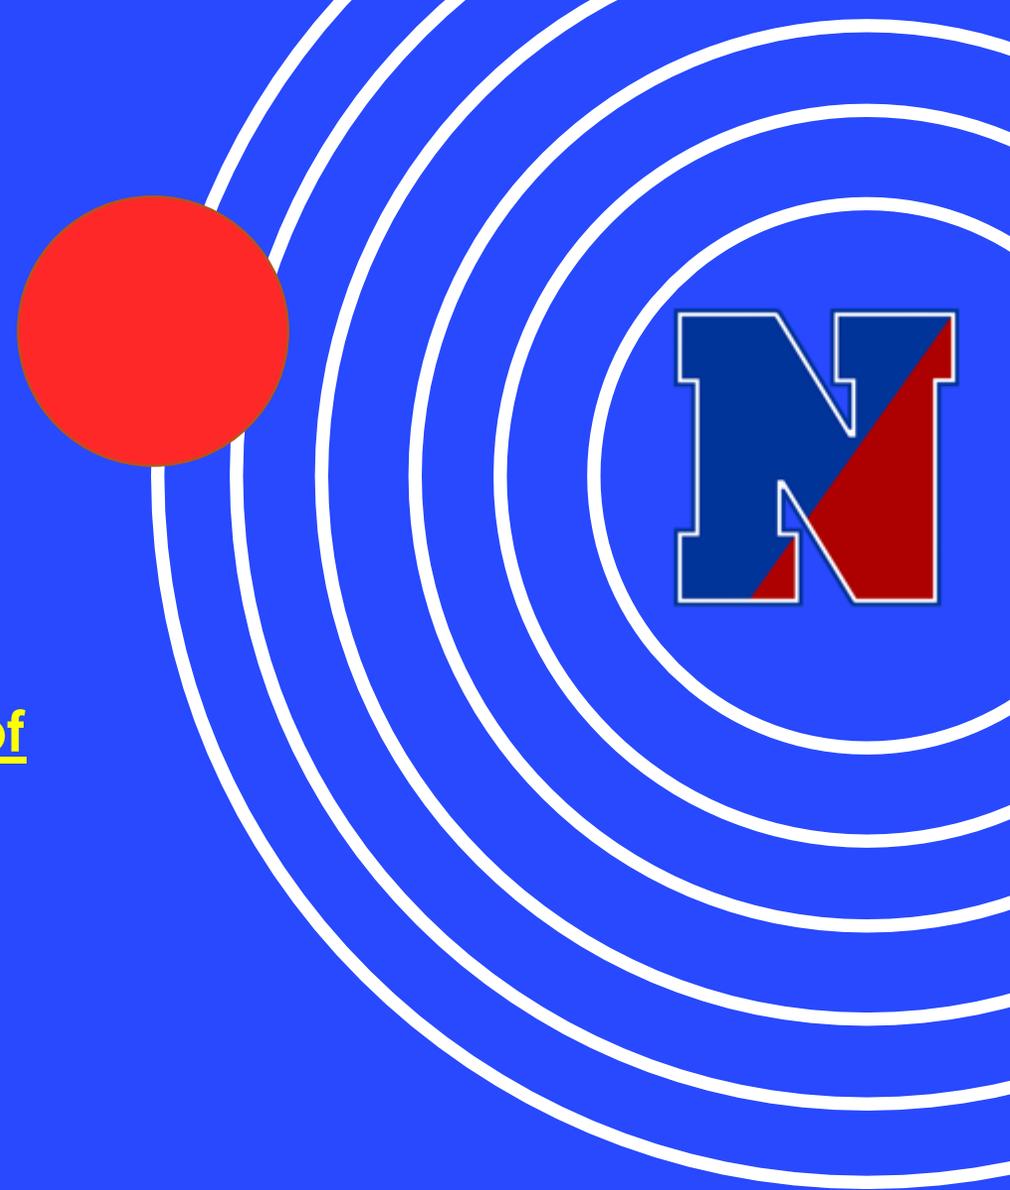

✓ District space created for possible programming needs

## Project Scenario Outcome to District Enrollment

Buck	-----	Closed
Tawanka	-----	694
Herbert Hoover	-----	610
Walter Miller	-----	474
Ferderbar	-----	356
Schweitzer	-----	430
Core Creek	-----	843

# Enrollment Scenario 4

- ❑ All of Pearl Buck including Twin Oaks Section move to Core Creek January 2025
- ❑ “Old Heckman” from Tawanka to Core Creek Fall of 2025
- ❑ Brickman’s Way, Walnut Ridge, Walnut Grove and Trevoise Avenue area from Ferderbar to Tawanka Fall of 2025
- ❑ Tareyton Estates and Langhorne Terrace from Herbert Hoover to Core Creek Fall of 2025
- ❑ Sweetwater Farms and Woodlyn Crossing from Tawanka to Core Creek Fall of 2025

# Projected Enrollment Numbers Scenario 4

## Scenario 4

Projected Scenario  
Outcomes

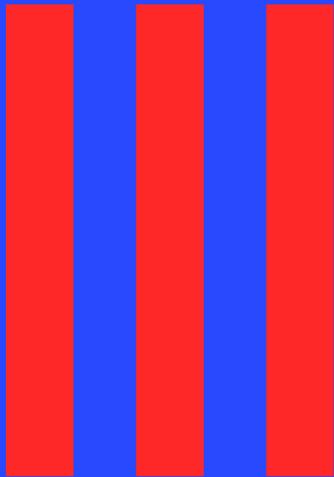

A move of Sweetwater Farms and  
Woodlyn Crossing Fall of 2025

to District Enrollment

\*In this Scenario combine Scenario  
and Add the Catchment Areas of  
Sweetwater and Woodlyn Crossing,  
Scenario would underutilize Tawanka  
and go against Goal of getting  
elementary schools better aligned to  
their Middle Schools.

Buck	-----	Closed
Tawanka	-----	603
Herbert Hoover	-----	610
Walter Miller	-----	474
Ferderbar	-----	356
Schweitzer	-----	430
Core Creek	-----	934

# Comparison Current Enrollment vs. Projected Enrollment

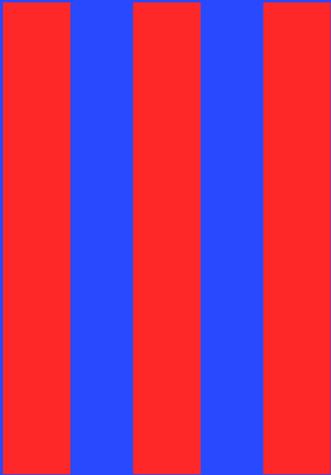

## 2024-25 Projected

Buck/CC-----558  
Tawanka-----814  
Hoover-----663  
Miller-----484  
Ferderbar-----466  
Schweitzer-----404

## 2025 -26 Projected

Core Creek-----843  
Tawanka-----694<sup>+</sup>  
Herbert Hoover-----610  
Walter Miller-----474  
Ferderbar-----356  
Schweitzer-----430  
**Buck -----Closed-----**

# Transportation Notes For Review

- ❑ **Twin Oaks Section Students and Families will be taking buses for the very first time**
- ❑ **The Langhorne/Maple Point area of the District are current bus riders---some students could technically become walkers**
- ❑ **Some of the developments are without sidewalks, high morning traffic concerns, right now one crossing guard assigned to YL, would need additional crossing guard staff assigned to YL**

# Transportation Notes For Review

- ❑ **No side walks on East Side of Langhorne Yardley RD, walking/bike path on West Side not maintained during inclement weather (kids in YL walking)**
- ❑ **Mileage for Bus Transportation, our buses will be passing student walkers in the same neighborhoods on their way to Core Creek**
- ❑ **Most significant is the Campus for MP and Core Creek is Large significant walk to entry door and possible unmanned crosswalk areas, along with high traffic of moving cars unlike other buildings, administration proposal is no designation for elementary walkers for Core Creek**

# Takeaways/Direction Moving Forward

- ❑ Core Creek continues to prepare for Students/Staff
- ❑ Procedural Protocols Developed
- ❑ Possible Board Direction on presented scenarios
- ❑ Parent Notifications of Redistricting Updates
- ❑ Bussing Routes Developed
