

2024 MARTIN LUTHER KING JR. DAY OF SERVICE

Maple Point Middle School and Angels in Motion will be partnering for a morning of service on Saturday, January 27, 2024 in the Maple Point Cafeteria from 9–11am.

Angels in Motion is an organization of volunteers that are trying to change the way those suffering with the disease of addiction are treated. Volunteers go to the streets of Philadelphia and hand out “Blessing Bags”, clothing and toiletries. Each blessing bag contains snacks, an encouragement note and a resource packet with information and phone numbers to call when seeking medical help, shelter or a path to recovery.

Student volunteers at the event will participate in the following four stations:

- 1) Creating “Hope Notes”
- 2) Assembling “Blessing Bags”
- 3) Making Plarn (plastic yarn) for sleeping mats

Student Council members will begin collecting items for the Blessing Bags on January 9. Items can be dropped off to the Maple Point Main Office at any time before January 26.
