

Transition Interest Inventory

Go to the following website:

www.pacareerzone.com

Under "Assess yourself" click on "Begin Assessment"

Click on "GO" next to "Start a new Interest Profiler"

Follow the directions by choosing:

L - like

D -dislike

? - don't know for each question

After completing the survey questions (180 questions), note the 3 interest areas and numbers at the top (so you can find your page when you print it); then **right** click on the summary page and **print 2** copies of this page.

Next, click on "View Occupations". Note the top few occupations (again so you can find your pages).

Right click on this page and **PRINT 2** copies of this page.

Retrieve your pages from the printer! Put **your name** on 1 copy and give it to your Resource Room teacher/IA. The other copy is for you.

☺Congratulations, you are finished☺
